

Sutton CC 59 Club

The 59 Club offers Sutton Cricket Club members an opportunity to help build up a fund earmarked only for Club development projects. The scheme is described below: -

Participants:

Any adult member (18-years & older) of Sutton Cricket Club may take part. A member's adult family members and/or friends may also be included.

How the 59 Club works:

Each player is allocated one or more ball number(s) between 1 and 59 inclusive, upon the club receiving the appropriate entry fee*.

Each week the player holding the same number as the Bonus Ball drawn in Saturday's National Lottery will receive a prize. This will be paid by Bacs at the end of each month in which the draw takes place.

The total prize money each week will be 30/59th of the total paid by players for that week, plus any rollover from the previous week. The winning sum will equate to 30/59ths of the amount collected, rounded down to the nearest whole £. For example, 30/59ths if there were 40 participants would be £20.

If no player holds the winning number, three-quarters of that week's prize money will rollover and be added to the following week's prize money.

*** Players' Contributions:**

For each ball number allocated, a player donates to Sutton Cricket Club one of following entry fee options:

- Option 1: £13 for 13 weeks.
- Option 2: £25 for 26 weeks.
- Option 3: £50 for 52 weeks.

Please email [Andy Alabaster](#) (59 Club administrator) with your name, contact details, and the option from the three above that you'd like to take.

Payment should be via Bank Transfer or Standing Order. Bank details can also be obtained from [Andy](#).
