We want to express our gratitude to all those who attended our AGM on February 20th. We are incredibly thankful for the fantastic response we received. The AGM provided us with a chance to look back on the accomplishments and obstacles of the past year, as well as set goals for the future. You can find the highlights of the AGM on the news section of our club's website [here](#).

Young Leaders in Cricket Programme Returns for Third Year in Surrey.

We are thrilled to share that the Young Leaders in Cricket Programme for 14-16 year olds will be back for its third year in Surrey, organised by the Surrey Cricket Foundation. This fantastic initiative is designed to offer young individuals training sessions that not only enhance their cricket abilities but also equip them with essential life skills and knowledge that can be applied both on and off the cricket field. For those interested in joining the 2024 programme, there will be online Q&A sessions conducted. Please visit the Foundation's website for more information [here](#).

Sam, the brother of Josh Blake, is putting together a fundraiser involving running ultramarathons for Rays of Sunshine. This charity supported Joe Lunn, a friend of Sam's and Sutton CC, before Joe sadly passed away.

Sam has committed to running 3 ultramarathons within a span of 4 months: the Hundred Hills 50k on March 16th, the South Downs Way 50-Mile on April 13th, and the South Downs Way 100-Mile on June 8th.

Your donation would mean a lot; it's for a very important cause. Please click [here](#).

The club's ground staff are doing a fantastic job in preparing both our squares for the upcoming season. Everything looks superb.

We appreciate their hard work and dedication. Thank you lads.
